Bits and Pieces

MadC solo show

May 2 – June 3, 2015

Opening Reception: May 2, 5-8pm

BRONX, NY (May 1, 2015) – WALLWORKS NEW YORK is proud to announce our next solo exhibition featuring new works from German artist Claudia “MadC” Walde. Her first solo show in New York, MadC will be presenting over twenty new canvas works, mostly painted in small formats, hence the exhibition title “Bits and Pieces”.

Filling the walls of the gallery with her signature use of color and line, Bits and Pieces is an exciting chapter of the artist’s career. All works are available for purchase, as well as a limited edition print release. She also has completed two murals during her visit here in New York—one in Downtown Yonkers as a part of Yonkers Arts Weekend, and one on the roof of The Point on Garrison Ave.

ABOUT MADC

Claudia MadC Walde is a graffiti artist from Germany who is known for her large-scale outdoor artistic works. She holds degrees in Graphic Design from the University of Art and Design, Halle, and Central Saint Martins College, London. Valuable experiences from the world of academic life were preceded by an active rapport with the graffiti and street art phenomena when she was only a teen. Having produced books and numerous installations and murals, MadC continues to push the conversation of the culture surrounding Graffiti and Street Art and where it can go.
